To whom it may concern:

I originally meet Mr. Curt Jarmer in the year of 2010 after the devastating Hurricane Katrina hit the Mississippi Gulf Coast. He was very moved by all the loss and devastation and came to assist and help build back from all the destruction.

I introduced him to the Mayor of Gulfport, Mr. Brett Warr, and the Chief Administrator, Mr. John Kelly. At the time we were looking at bringing some very large Hotel chains and Casinos.

I find Curt to be the most passionate and caring person and he is always trying to help others with less than.

We have always kept in touch over the years...

Curt came to me in 2015... originally with a family that wanted to sell their property in Puerto Rico...100 Acres that they needed assistance in selling. Curt knew that Coldwell Banker was the Biggest Real Estate Company in the Nation and we would also have a large number of potential buyers already...looking to invest. He asked me to help him. Though this he has traveled to Puerto Rico many times and has also found 2-3 other owners with hundreds of acres they want to sell.

Curt has been a great coordinator of this project and has accomplished so much in a very short time.

Coldwell Banker, Alfonso and I are very proud to be associated with him. I find him to be a Trust Worthy, and Hard Working Person.

Best Regards,
